SECTION 3

About the Program

Law graduates can either start a career or specialize their career into a specific law subject. With an LL.M degree one can study a law specialization such as Criminal law, Business Law, Administrative Law, Environmental Law, Cyber Law and many more. LL.M degree gives an aligned direction to one's career objectives. It is a post graduate degree in law. Master of Law or LL.M course offered at Indian colleges and universities is of two years duration. The course curriculum of the LL.M degree is structured in such a way that the law course is divided into four semesters. In Master of Law, course aspirants gain in-depth knowledge of a specific field of law through intensive research in that particular area of law.

SECTION 4

Program Educational Objectives (PEOs), Program Outcomes (POs) and Program Specific Outcomes (PSOs)
