

## Campus Excellence

### Campus Strengths:

- Modern laboratories & simulation centers
- Clinical exposure and hospital tie-ups
- Experienced faculty who mentor students professionally
- Regular guest lectures, workshops & seminars
- Placement support & career services
- Scholarship programs & financial assistance

### Life on Campus:

- Modern laboratories & simulation centers
- Clinical exposure and hospital tie-ups
- Experienced faculty who mentor students professionally
- Regular guest lectures, workshops & seminars
- Placement support & career services
- Scholarship programs & financial assistance

## COLLABORATIONS

## Career Opportunities:

Graduates can pursue rewarding careers in hospitals, diagnostic centers, pharmaceutical industries, research organizations, regulatory bodies, and community health-care services.

### Learning Experience Includes:

- Well-equipped labs for clinical, diagnostic, and pharmaceutical training
- Curriculum aligned with industry and healthcare standards
- Hands-on experience through internships and clinical exposure
- Training with modern equipment and advanced healthcare technologies
- Regular workshops, seminars, and guest lectures by industry experts
- Skill development in patient care, diagnostics, and research practices

### How to Apply:

- Visit Admission Cell or Apply Online
- Submit academic records & entrance test score (if applicable)
- Complete application formalities and secure your seat

Transforming Futures in  
Health Industry

## Allied Healthcare Courses

### Diploma Courses

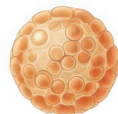

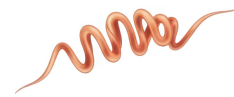

- Diploma of Dialysis Technology (D.DT)
- Diploma of Anaesthesia and Operation Theatre Technology (D.AOTT)

### Bachelor Courses

- Bachelor of Physiotherapy (B.P.T.)
- Bachelor of Public Health (BPH)
- Bachelor of Medical Laboratory Science (B.MLS)
- Bachelor of Medical Laboratory Science – Lateral Entry
- Bachelors of Dialysis Therapy Technology (B.DTT)
- Bachelors of Dialysis Therapy Technology – Lateral Entry
- Bachelor of Medical Radiology and Imaging Technology (B.MRIT)
- Bachelor of Medical Radiology and Imaging Technology – Lateral Entry
- Bachelor of Optometry (B.Optom)
- Bachelor of Optometry – Lateral Entry
- Bachelor of Anaesthesia and Operation Theatre Technology (B.AOTT)
- Bachelor of Anaesthesia and Operation Theatre Technology – Lateral Entry
- B.Sc. Cardiac Care Technology
- B.Sc. Blood Bank Technology
- Bachelor of Nutrition and Dietetics (Honours)
- Bachelor of Psychology (B.Psy.)

### Master Courses

- Master of Public Health (MPH)
- Master of Physiotherapy (M.P.T.) – Musculoskeletal Science
- Master of Physiotherapy (M.P.T.) – Neuroscience
- Master of Physiotherapy (M.P.T.) – Cardio Pulmonary Science
- Master of Physiotherapy (M.P.T.) – Sports Science
- Master of Medical Laboratory Science (M.MLS) – Medical Biochemistry
- Master of Medical Laboratory Science (M.MLS) – Medical Microbiology
- Master of Medical Laboratory Science (M.MLS) – Haematology & Transfusion Medicine
- Master of Medical Laboratory Science (M.MLS) – Histology & Cytology
- Master of Dialysis Therapy (M.DT)
- Master of Medical Radiology and Imaging Technology (M.MRIT) – CT Imaging Technology
- Master of Medical Radiology and Imaging Technology (M.MRIT) – MR Imaging Technology
- Master of Medical Radiology and Imaging Technology – Breast Imaging Technology
- Master of Science (M.Sc.) – Clinical Embryology and Reproductive Biology
- Master of Optometry (M.Optom)
- Masters of Anaesthesia and Operation Theatre Technology (M.AOTT)
- Masters of Nutrition and Dietetics

## PHARMACEUTICAL COURSES

### Shaping Future Innovators in Pharmacy & Drug Sciences

Pharmaceutical Sciences at RIMT offers comprehensive Diploma to postgraduate programs that blend scientific knowledge with practical applications in modern pharmacy.

### Program Offerings:

- Diploma in Pharmacy (D.Pharm) – Essential foundation in pharmaceutical sciences.
- Bachelor of Pharmacy (B.Pharm) – In-depth learning in medicinal chemistry, pharmacology, pharmaceuticals, and more.
- Pharm.D – Professional doctorate focusing on clinical pharmacy and patient care
- M.Pharmacy – Advanced specialization in Pharmaceutical Chemistry & Pharmaceutics.

## HEALTHCARE COURSE

### B.Sc Nursing

B.Sc. Nursing at RIMT offers comprehensive undergraduate training that combines theoretical knowledge with hands-on clinical experience, preparing students for excellence in modern healthcare and patient care.
