REPORT

RIMT University's Hotel Management department recently hosted an inspiring alumni meet, on 19-11-2025 featuring Ridhima Sharma, a front office executive at Radisson Red Mohali, as the guest speaker. Sharma shared her experiences and insights, motivating students to excel in the hospitality industry.

The event aimed to foster connections among alumni and current students, while providing a platform for sharing professional experiences and expertise. Dr.B.S Bhatia, Pro Vice-Chancellor of RIMT University, emphasized the importance of such events in promoting personal and professional growth.

Ridhima's session likely covered essential aspects of working in the hospitality sector, including front office operations, customer service, and career development. As a successful alumna, she serves as a role model for current students, demonstrating the opportunities available in the industry.

Events like these play a vital role in bridging the gap between academia and industry, preparing students for successful careers in hospitality.

Conclusion:

The session was highly engaging and informative, offering students a deeper understanding of the profession and preparing them for upcoming internships and career opportunities. It also strengthened the alumni-student connection, fostering a culture of mentorship and continuous learning. The event concluded with a vote of thanks by the faculty coordinator, appreciating Ms. Ridhima's efforts and encouraging students to stay updated and passionate about their field.
