4TH INTERNATIONAL CONFERENCE

ABOUT RIMT UNIVERSITY

Driven by a strong inclination to assign the futuristic parameters to given standards of education, RIMT has been experiencing the greatest periods of momentum in its history while adding a new institution every year since its inception in 1998. The legacy has continued and RIMT University was established in 2016 by Govt. of Punjab under 2 (f) of the UGC. The vision of the University is to impart quality education and produce society worthy individuals. Our mission is to create extraordinary learning experiences for students. The University has embraced innovation and the entrepreneurial perspective and encourages the staff and students to challenge conventions and explore new ways of learning.

CONFERENCE THEMES AND SUB-THEMES:

The broad theme of the Conference is **Emerging Trends in Research and Development: Sustainability, Challenges and Strategies**. It will cover various sub-themes like R&D trends in various disciplines like Sciences, Engineering and Technology, Agriculture, Communication, Management, Humanities & Social Sciences, Education etc. It will also cover issues like application of research, technology-transfer, policy issues, etc which will help in elimination of poverty, unemployment and improve delivery of health care facilities leading to upliftment of Socio-economic conditions.

- Track 1: Information and Communication Technology and Engineering (ICTE)
- Track 2: Biosciences and Pharmaceutical Research, Agriculture and Sciences (BPAS)
- Track 3: Social Sciences, Education, Law and Languages (SELL)
- Track 4: Management, Commerce and Economics (MCE)

WHO SHOULD PARTICIPATE

- Research Scholars and Faculty Members of various disciplines
- Industrial Managers and Administrators
- Students

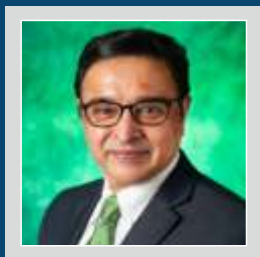

PARTICIPATION FEE

Academician/Corporate	:	Rs.1000/-
Research Scholars*	:	Rs.800/-
PG. Students*	:	Rs.600/-

- Scholars and student of RIMT University will get a concession of Rs. 100

It is hoped that participants will deliberate on the current trends in research and will suggest future research issues and strategies which will help in Post Covid Research and Development and contribute to the welfare of mankind.
