# WELCOME

## to a world of opportunities

Since the establishment of RIMT in 2016 our skilled and dedicated faculty members have been using their expertise to have the way for students to make a purposeful impact in the world. We strongly believe in creating synergy by bringing the right people together in an environment that gives them room to innovate. We provide, "EDUCATION FOR LIFE" to our students by cultivating inalienable rights of a human being to life, liberty, happiness there in anchoring research & innovation leading to the "PURSUIT OF EXCELLENCE"

## Our Vision & Mission

**Vision :** To accelerate the creation & application of knowledge which contribute to meet the urgency of challenges faced us today in advancing education to our students and supporting our diverse community of faculty, students & staff to reach farther & move faster.

**Mission :** To embed such seminars of teaching and learning as shall make it to the highest grade to qualify the students for personal success using the cutting edge technologies and exercises directed to the cultivation & enlargement of the mind leading to its usefulness in life

“education for life”

# CHANCELLOR

Chancellor  
Dr. Hukam Chand Bansal

Dr. Hukam Chand Bansal is a Steel Industrialist of renowned with industries spread across Mandi Gobindgarh, Punjab and Jammu & Kashmir. Started in 1971 when he took over the business from his father and expanded it to newer areas like steel forging & steel melting.

An MBA and a PhD in Business Administration from US, Dr. Bansal entered education business in 1998 when he founded Shri Om Parkash Bansal Educational and Social Welfare Trust, and established a school at Mandi Gobindgarh. It was the first school in that area and till date remains the most coveted.

Over the next 2 decades he emerged as a devoted educationist by establishing 8 colleges, 1 polytechnic and 2 schools of repute under the aegis of the Trust, and under the banner of RIMT group of institutions.

In 2016 he established RIMT University at Mandi Gobindgarh and in 2018 the World University of Design at Sonipat. Dr Bansal is Chancellor to both the universities.

It gives me immense pleasure to invite you all to RIMT University, Mandi Gobindgarh. We aim at providing global education, carry out global research, and provide global learning platforms to students in all the programs across all schools. RIMT University is a platform for students to discover themselves. Our University is dedicated to the discovery, development, dissemination and application of knowledge in the chosen fields with a mission to expand the scale and scope of human understanding and thereby contributing to the betterment of the world. All programs offered by various schools of the University have “Industrial Practice” and “Industry Internship Programs” as an in-built component where students are exposed to the real world.

From its inception, RIMT University has been guided by its motto. The vision of the University calls for an enduring commitment to the well-being of people through education. Its mission encompasses searching for and testing new realities and disseminating knowledge, both existing and new, for the betterment of society.

In keeping with its mission, our goal is to transform RIMT University into the flagship institution in India comparable with the best seats of learning in the region in the areas of teaching and learning, research, industry engagement and community development.

Vice Chancellor  
Dr V K Agarwal

Prof Vijay K Agarwal is the Vice-Chancellor of RIMT University- a prestigious seat of learning established in 2016. He has about four decades of teaching, research, and administrative experience at IIT Delhi and has more than 60 publications to his credit. Prof Agarwal held important administrative responsibilities at IIT Delhi. The most significant positions held are: Dean (Infrastructure), Head -ITMMEC, Associate Dean (Infrastructure), Associate Dean of the Industrial Research and Development (IRD) and member of the Board of Educational Research and Planning (BERP)

He was Chairman of the “Handling and Transportation” Task Force of the Technology Mission on “Utilisation and Safe Disposal of Flyash” set up by the Government of India. Prof Agarwal has co-authored two books in the field of Pneumatic Conveying Technology. He was awarded the Bulk Solids Handling Award 2019 by the Engineers Australia for his research contribution in the field. Prof Agarwal has had close interaction with several International Universities and companies. He was invited as a visiting Professor at the Kyushu Institute of Technology Japan and as a foreign researcher by SINTEF, Norway.
