ABOUT THE UNIVERSITY

Driven by a strong commitment to align contemporary educational standards with future-oriented parameters, RIMT has built an illustrious history since its establishment in 1998. In its pursuit of growth, RIMT has achieved an unprecedented milestone by adding a new institution every year from 2002 to 2023. This legacy continues with RIMT University, which was established by the Government of Punjab under Punjab Act No. 31 of 2015 and recognized under section 2(f) of the UGC. The university envisions becoming one of the most preferred learning destinations and a center of excellence, fostering and nurturing future leaders who will drive desired societal changes.

RIMT has emerged as a progressive hub of education, catering to students seeking higher education in diverse disciplines. It serves as a melting pot of cultures from around the world, providing a serene environment for knowledge exchange. Alongside traditional classroom education, we also equip our students to navigate the challenges that life may present, ensuring their preparedness for a lifetime of success. RIMT offers a range of resources tailored to individual students' strengths, while our academic faculty and staff provide periodic consultations, certifications, and leadership development programs to facilitate further personal and professional growth.

As part of our dedication to enhancing leadership qualities in learners, RIMT consistently strives to promote research and the dissemination of innovative teaching, learning, and leadership practices that make a difference.

ABOUT FACULTY DEVELOPMENT PROGRAM (FDP)

This FDP is designed to enhance the teaching skills, grant and manuscript writing abilities, and research, innovation, and entrepreneurship competencies of our faculty members across all programs. It presents an excellent opportunity to learn from a distinguished panel of experts who will share insights into teaching methodologies aligned with NEP-2020, as well as the latest approaches and strategies in research, innovation, and entrepreneurship. Additionally, this program will create a learner-centric platform for early-career researchers, academicians, and other participants to engage and participate actively.

Following areas will be covered:

- Teaching Skills-I
- Teaching Skills-II
- Innovation/Intellectual Property Rights
- Startup/Entrepreneurship
- Grant proposal and manuscript writing

PROGRAMME OBJECTIVES

- To Provide Learning enrichment with latest pedagogies for effective teaching
- To impart greater awareness about the issue of IPRs
- To build the skills of writing transformative research grants and publications

TARGET AUDIENCE

FDP is open to faculty members from the colleges/universities
