

RIMT
UNIVERSITY

RIMT University was established by the Govt. of Punjab
as per Punjab Act No. 31 of 2015 & under section 2(f) of the UGC.

RIMT UNIVERSITY

Research Department

IS ORGANIZING

5TH FACULTY DEVELOPMENT PROGRAMME

on

CAPACITY BUILDING

Date : 19th to 23rd September 2023

“Education for Life”

WORKSHOP/ FDP

ABOUT RIMT UNIVERSITY

Driven by a strong inclination to assign the futuristic parameters to given standards of education, RIMT experienced the greatest period of momentum in its history while adding a new institution every year since its inception in 1998. The legacy continued and RIMT University was established by Govt. of Punjab under 2 (f) section of the UGC. The vision of the University is to impart quality education and produce society worthy individuals. Our mission is to create extraordinary learning experiences for the students. The University has embraced innovation and the entrepreneurial perspective. It encourages the staff and students to challenge conventions and explore new ways of learning.

The University places great emphasis on continuous academic development and encourages research in various disciplines. It organizes workshops and training programmes to enhance the capability and skills of the faculty members and students. It is in this direction that a one-week programme on capacity building is being organized from 19th to 23rd September 2023.

About FDP

The Purpose of most of the Faculty Development Programmes is to enhance the knowledge and skill base of the participants. While some of the programmes are discipline specific covering the latest developments in the concerned field, others focus on certain skills. This programme aims at sharpening of research skills which help in data analysis and interpretation.

Objectives of the Programme

The main objective of the programme is to enhance the research and analytical skills of the participants. Specifically the participants will be able to:

- Select appropriate research methods for conducting research
- Apply statistical tools for data analysis
- Improve research report writing skills
- Gain exposure about the research ethics

Contents of the Programme

- Overview of Research
- Research Methodology
- Literature review
- Data Analysis through S.P.S.S
- Technical Report writing
- How to write a Research Paper
- Data Integrity and Research Ethics

Faculty Development Programme

Who should attend

This workshop will be useful to

- Academicians who want to enhance their research skills.
- Research scholars and PG students in honing their research skills.
- Industry executives in learning analytical and presentation skills for better decision-making.

Participation Fee

The participation fee for the programme will be as under:

- | | |
|---|-------------|
| ▪ Faculty members and Research Scholars | : Rs. 600/- |
| ▪ UG / PG Students | : Rs. 300/- |
